12” PSA 4 hole to IEC 8” Adapter Ring for Airfield Lighting Fittings

als

Airfield Lighting Systems developed this accessory as a useful adaptor ring to be used in conjunction with a 12” mounting base to allow 8” light fittings to be installed with a four-hole PSA base.

ALS has developed its own mounting bases that are suitable for all our LED light fittings. They are designed to universal IEC standards so any compliant fitting can be installed using these tough and durable alluminium bases.

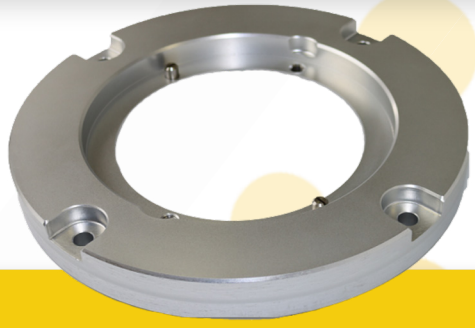

Order Code

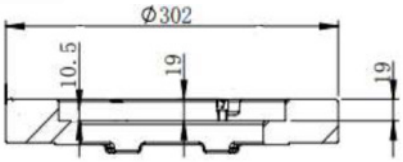

ADAPTER12-8-4H

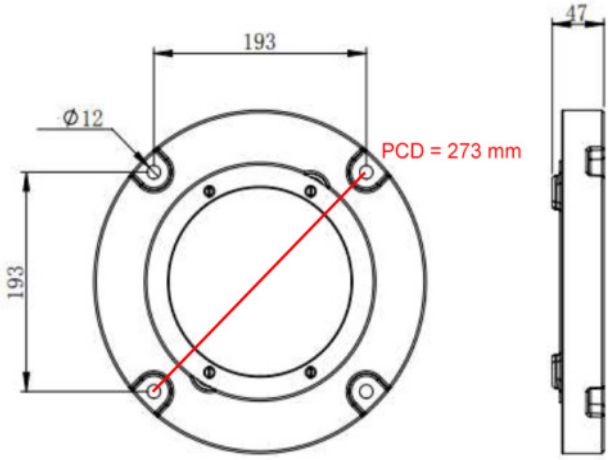

Features

- 12” to 8” Adapter Ring
- 4 Hole PSA base
- Allows retrofit use of 8” inch LED light fittings
- Ease of installation.
- Alluminium Alloy construction.
